Genvis Muça

Migration, asylum & humanitarian policy · Research · Coordination

Brussels, Belgium genvism@gmail.com genvismuca.com
linkedin.com/in/genvis-muça

Researcher with two UCLouvain master's degrees, both completed with distinction. I combine legal and social research on migration and asylum with six years of communication and partnership coordination for international digital projects. I work in French, Albanian, English and Italian.

EXPERIENCE

Research Intern (social policy) 01/2025 – 06/2025
CPAS of the City of Brussels

- Led a mixed-methods study of CYCLUP, a programme helping social assistance recipients into employment.
- Conducted 20 semi-structured interviews and analysed several years of administrative data (Excel, SPSS, Jamovi).
- Wrote a 30-page report with operational recommendations for programme management.

Community & Collaboration Manager (freelance) 02/2025 – 08/2026
Printr, international online platform · remote

- Coordinated partnerships with external projects: preparation, follow-up and review of joint initiatives.
- Acted as the interface between the team, partners and an international community; wrote plain-language announcements.

Web Developer & Campaign Designer 01/2026 – 04/2026
WeCare ASBL, humanitarian NGO · Brussels

- Built the organisation's website and its Meta campaigns, including awareness campaigns on women's homelessness and food distribution abroad.

Lead Developer 2026
Deployr, fintech product

- Built the product end to end (code, smart contracts, social media, launch): Visa-network payment cards issued through Mesh Payments, native staking and cross-chain bridges.

Online Community Manager 01/2020 – 01/2025
Pingu Exchange · Thorus, international digital projects · remote

- Managed communities of 45,000+ members across X, Discord and Telegram; planned publication calendars.
- Coordinated a month-long campaign with 25 external partner projects, from first contact to post-launch follow-up.

Independent Video Producer since 2014
Albanian-language YouTube channel

- 200+ videos and 70,000+ subscribers; scripting, editing and AI-assisted production.

RESEARCH

Protected from removal, deprived of residence *(2026)*
Non-removability in Belgian law (art. 74/17): how the CGRS, the Immigration Office and the CPAS fit together, compared with the Austrian and Italian regimes. Supervised by Prof. Sylvie Sarolea. *Available on DIAL (UCLouvain).*

Kanun and women's property rights in Albania *(2025)*
How customary law limits women's access to inheritance despite the statutory framework. *Available on DIAL (UCLouvain).*
